Mission 360 Lets You Access Yoga & Fitness Courses For a Monthly Fee

Mission 360 is an exceptionally innovative and accessible service that allows you to access on-demand wellness videos that can help educate, inspire and push you towards attaining your fitness and wellness goals.

Everyone wants to improve their fitness and health, but people often struggle with the motivation needed to get off the couch and go to a gym or class. Mission 360 eliminates this issue by allowing you work towards bettering your fitness at home through video classes for a flat subscription fee of only \$35. This fee allows you access to pre-recorded video classes as well as personalized, one-on-one courses with coaches for an extra fee.

Ultimately, Mission 360's wellness video is a great way to make fitness more of a connected endeavour.
